Apparently [redacted] recently applied for an employment posi- STAT
tion with your agency and claims he has yet to receive an acknowledge-
ment that it was received. Further attempts by [redacted] to contacSTAT
the CIA regarding the status of his employment application have also
proven unsuccessful. He has since contacted my office for assistance
in this matter.

I am writing, now, to ask for a review of [redacted] applica-STAT
tion to determine if it was received by the CIA and for a report on
it's status. I would greatly appreciate any assistance you can lend
me in this matter.

Thank you for your time and consideration.

Sincerely,

SAM GEJDENSON
Member of Congress
